To render Tezpur University as one of the most preferred destinations of students, faculty and scholars and employees. To be in the Top 50

THE UNIVERSITY

Tezpur University was established on 21st of January in 1994 by an Act of Parliament as a unitary university. The University conducts under-graduate, post-graduate, and research programmes in the areas of Science, Engineering, Management, and Humanities and Social Sciences. The University is situated in a sprawling campus located in a lush green serene environment and is at a distance of about 160 km from Guwahati. The Department of Business Administration has a well-qualified faculty, with rich experience in academic and industry. The Department has an innovative teaching pedagogy, transparent and scientific evaluation system, and a modern and constantly updated curriculum. Since its inception, the Department has been producing managers who are presently in prominent positions in India as well as abroad.

Apart from fulfilling the traditional role of the University, that is, to create and disseminate new knowledge in diverse fields, it has been striving to keep pace with the developments that are taking place in a rapidly changing world. Accordingly its systems are modernized as per contemporary requirements through constant upgradation of the syllabi as well as infrastructure.

The University has been trying to provide facilities for carrying out meaningful and socially relevant research. Faculty members have been successful in generating research funds from funding agencies like ONGC, UGC, AICTE, MS & PI, ICSSR, DRDO, CSIR, ISRO, NSC, MNCE, MTA, IGNOU-NECRD, IFMR, SSA, World Bank etc.

University Library

The University has a Central Library with a vast collection of books and prominent journals in both print and electronic formats. The Library can be accessed through the University's website. The library holds more than 1,16,643 print books, 1,255+ e-books, 9,309+ e-journals, 152 print journals, 14 databases, 10280 back volumes of journals. Apart from this, the library also holds 2,995 CDs/DVDs, 212 Braille books, 2773+ thesis and dissertation, and 1,396 govt. publications. The library users can access all the online services and facilities such as WEB-OPAC, e-journals, e-books, Knowledge Repository, ETDs Repository etc. from any terminal within the University campus. Besides the Central Library, Departments also have their Departmental Libraries. The catalogue of books and journals is available for online access by users within the campus network. A number of leading international journals are subscribed by the Central library for use of students of the Department of Business Administration.

Computing Facilities

The University has elaborate computing facilities accessible to the students. There is a modern state-of-the-art Central Computer Centre for use by the students and scholars of Tezpur University in addition to the Departmental computer laboratories.

The whole campus is Wi-Fi enabled with OFC backbone.

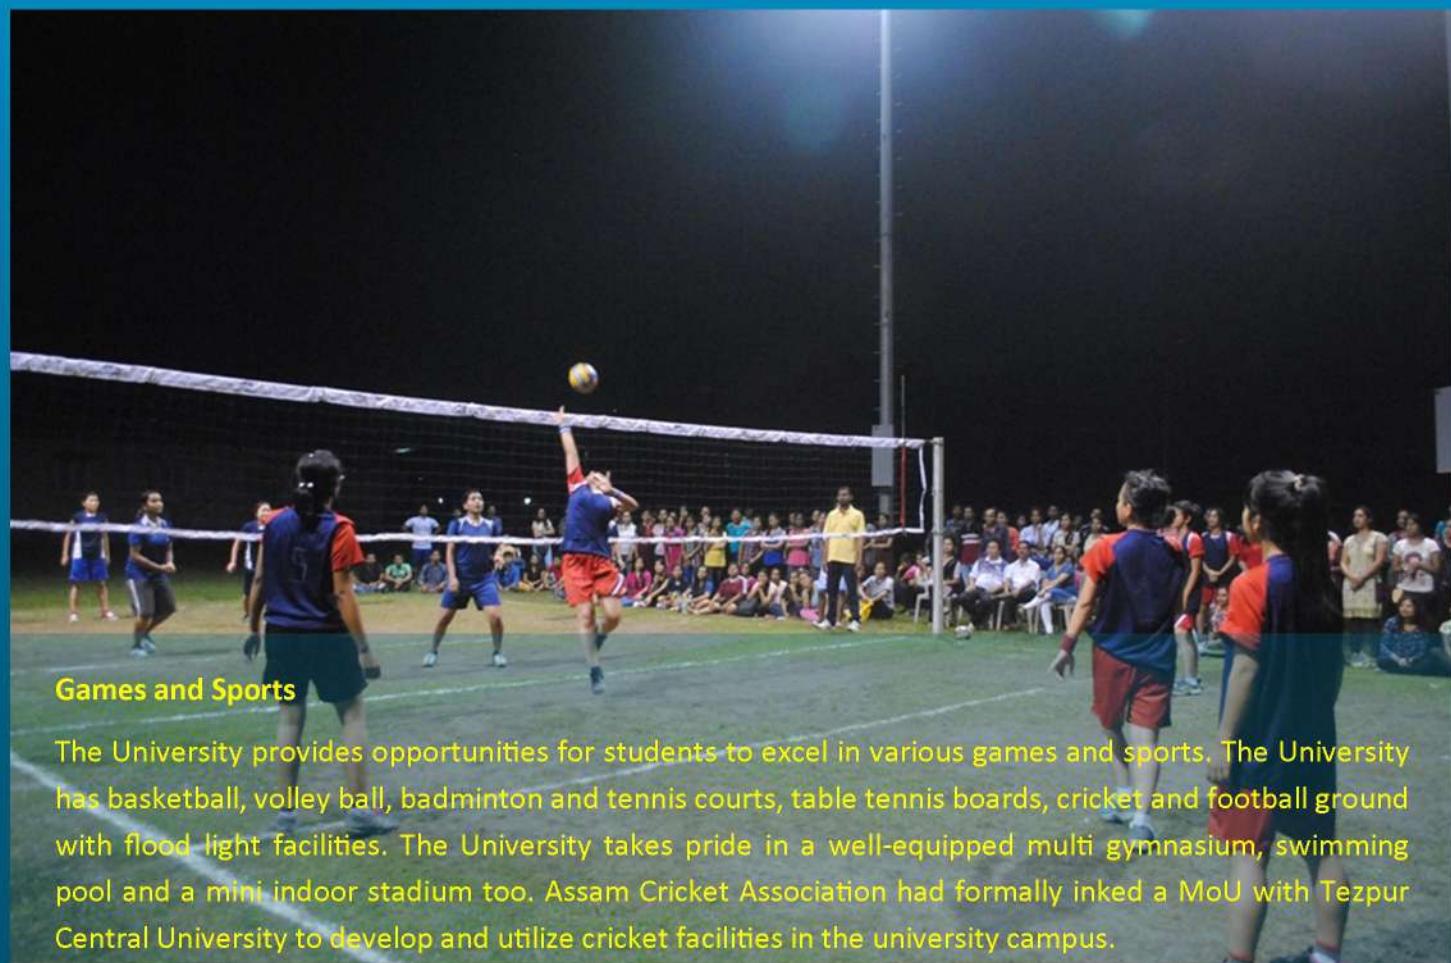

Ragging Free Campus

Hostel Accommodation

The University has fourteen separate hostels for boys and girls adequate to accommodate all students and research scholars. The Hostels are equipped with state-of-the-art facilities like Wi-Fi connectivity, washing machine, ultra-modern kitchen, 24hr water supply and electricity with state-of-the-art water purifying system, musical instruments, music systems, badminton court, indoor games (Table-tennis, Carrom etc.), common room with colour television and DTH connection, newspapers and magazines.

Games and Sports

The University provides opportunities for students to excel in various games and sports. The University has basketball, volleyball, badminton and tennis courts, table tennis boards, cricket and football ground with flood light facilities. The University takes pride in a well-equipped multi gymnasium, swimming pool and a mini indoor stadium too. Assam Cricket Association had formally inked a MoU with Tezpur Central University to develop and utilize cricket facilities in the university campus.

Scholarships

A limited number of scholarships are offered to Tezpur University students by various Government / Semi-Government organizations such as NEC, BT, ITDP, MNES, DTE, AICTE, ONGC, EXIM and by other agencies. Scholarships are also provided to a limited number of meritorious students belonging to economically weak families.

Health Services

The University has a Health Centre with its own medical and para-medical staff, to provide basic medical services. The Health Centre is equipped with many modern medical equipment. Each student (below the age of 35 years) is compulsorily put under a Health Insurance coverage of Rs. 50,000/-

Tezpur University Alumni Association (TUAA)

TUAA was formed in 2000 to create a network of the alumni of the University. The website of the association provides full listing of events, news and other relevant information. The Department also has a strong alumni network and there are chapters of TUMBA Alumni in various corners of the country.

Students Discipline

Students shall abide by the Statutes, Ordinances, Rules and Regulations of the University that are in force. They shall give due respect to the teachers and staff of the University and shall display decent and cordial behavior to fellow students. Students must strictly follow the discipline as prescribed in the Regulations on Maintenance of Discipline of the University. Violation of any clause by any student will be subjected to disciplinary action as per the regulations. Ragging in any form is strictly prohibited inside or outside the University campus. Students found indulging in ragging will be subjected to punishment as per rule.

Teaching Pedagogy

In framing the courses, care has been taken to see that the students are not burdened with formal lectures only. There is adequate provision for seminars, workshops, tutorials, case studies, guided field work, lab work etc., that are necessary to promote the habit of independent thinking and to relate theoretical knowledge to the practical field. Group Discussion is an integral part of teaching pedagogy to help the students in increasing their analytical capability and creativity.

Academic Calendar

The university strictly adheres to a well-planned academic calendar specifying the schedule of academic activities. Detailed academic calendar for the current Academic Year is available in the University Website. Apart from this, the department may have special training/lecture sessions that would be announced in advance.

Ranked within top 50 in the NIRF ranking 2017 under Management Category

Placement

Placement Scenario

Tezpur University has an active Training & Placement Cell to facilitate the Final Placements as well as Summer Internship Placements. There exists a high degree of emphasis on maintaining close liaison with the Industry. Interaction of the students with professionals from Industry is arranged regularly. This is apart from the regular training & mock interview sessions arranged for grooming the students for the big day.

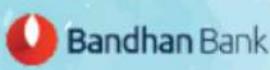

Special efforts are made to attract employers such as MNCs, Public Sector, Private Sectors, NGOs, etc. to pick up our students. Over the years such efforts have paid rich dividends as excellent set of recruiters have selected our students both via on-campus and off-campus recruitment process. The increasing number of recruiters visiting the department and the repeat visits , the uptrend in the initial packages offered indicates the upswing in the confidence that our recruiters place on us. The pleasant result of that is a healthy growth of the number of our students finally placed. A good number of our students receive their offer letters even before the final semester examinations. The active follow-up efforts made by the Training & Placement Cell as well as the Department with the recruiters ensures that each one of our graduates are suitably placed.

Recruitment in recent years

Solid. Since 1910

Way of Life!

Student Activities'

Seminars and workshops are conducted and organized by the students with active support from the faculty members. These activities aim at establishing a synergistic relationship and interface platform where the management fraternity from both the corporate and academic world can share their experience, thereby, enriching the students who are supposedly the measure of a nation's future development. This in turn helps promote and propagate a culture of management consciousness among the people of North-East in particular.

Our students regularly prove their mettle in **B-School Meets**. Be it a case study, making a business plan or developing conceptual advertisements, our students have always been ahead of their competition.

ISR Club The Department has an active Institutional Social Responsibility Club SPARSH that works towards bringing to the fore the awareness on social issues and working for the underprivileged.

Alumni is our strength. There is a strong alumni base spread all across the country (and beyond). For a detailed list one may visit our Departmental website (www.tezu.ernet.in/dba/new/).

Regular "Alumni Speak" sessions are conducted, where Alumni are invited to share their experiences with the juniors.

Forum for Managerial Excellence (FORMEX) is a voluntary body of the Department of Business Administration, Tezpur University. The forum undertakes activities like organizing seminars both in-house & outside the University, popular talks, guest lectures, management games etc. All the students and faculties are members of the forum.

The Department conducts **i-connect** programme on a regular basis specially focused on industry academia participation by live interaction and through video conferencing facility of the Department.

Our students publish an e-magazine "**Uttaran**", which is well appreciated in the corporate world.

Department signed a MoU with **Federation of Industries & Commerce of North Eastern Region (FINER)** in order to enhance industry-academia experience, research activity and to promote first generation entrepreneurs in the Northeastern region.

Sampark

'Sampark... the interface' is the flagship event of School of Management Sciences organized in the first quarter of every year by the students of the Department of Business Administration, backed by the guidance of the faculty.

Sampark intends to be a platform for sharing thoughts and experiences between the management fraternity from both the academic and corporate world. It is a rostrum where leaders from the corporate world interact with the bright malleable minds of the students, who, in turn, get an exposure and insight into the current corporate scenario through thought leaders of the industry.

This event helps promote and propagate a culture of management consciousness among the people of the North East. Events like panel discussions meant for bridging the gap between reputed academicians and corporate, webinars with reputed industry personality. Business Idea challenge is the most coveted competition held at the event that witness participants from all corners.
